

Season's Greetings from VENC!

One of the traditions during the festive season is singing. Although we cannot sing together this year, we can sing at home or during an online chat. An old song that lends itself to re-interpretation is "The 12 Days of Christmas". Here's a link to the music and original wording. <https://www.youtube.com/watch?>

On the 12th day of Christmas, Vancouver Island gave to me:

Twelve bikers biking,
Eleven hikers hiking,
Ten orcas leaping,
Nine water taxis dancing,
Eight surfers surfing,
Seven salmon swimming,
Six gulls a-flying,
Five eagle feathers,
Four diving ducks,
Three baby bears,
Two harbour seals,
and a blue heron in a big tree!

*The VENC Executive wishes you
good health and a safe holiday.*
